

Your Responsibility Code

1

Always stay in control.

2

People ahead of you have the right of way.

3

Stop in a safe place for you and others.

4

Whenever starting downhill or merging, look uphill and yield.

5

Use devices to help prevent runaway equipment.

6

Observe signs and warnings, and keep off closed trails.

7

Know how to use the lifts safely.

Violation of local ski resort policies may involve suspension of skiing, snowboarding or snow tubing privileges, revocation of season pass, personal injuries or property damage and regulatory fines and legal fees.
